## Agenda Item 1: Councilmen Schroeder Update

The City is working at 80-90%. Many programs are being rolled out to help small businesses and home owners. If business owners need information or help Jeremy encourages us to send them to his office and he can connect them with services. City is on track to have a budget deficit of 1-2 million for 2021. Federal and State aid hasn't come to the City so far.

## Agenda Item 2: How Can We Help

Board members are encouraged to submit ideas when they have/hear them. Information on the school food pick up at Hale will be put up on our FB page. Brittany will look into a local business that is giving away free masks to see if we can financially support her efforts.
